Re: MUR 4800 -- Request for Extension

Dear Ms. Smith:

We hereby request a 30-day extension of time to prepare and file a statement setting forth the reasons why the Federal Election Commission should take no action in the referenced matter. We received the Commission's letter and the complaint on September 8th, so that in the absence of an extension of time, our response would be due today, September 23rd. However, we understand that Michigan Automotive Compressor, Inc., another respondent in this matter and Bill's former employer, is attempting to determine whether joint representation is appropriate and feasible. Accordingly, we hereby request a thirty (30) day extension of time so that our response would be due on or before close of business on October 23, 1998.

We look forward to your response to our request.

Sincerely,

William S. Lambkin
